14. [redacted] John Goldsmith, Senate Armed Services Committee, called to say that the Committee had received its copies of Mr. Colby's open confirmation hearings. I arranged to pick up some copies from their supply which we will replace when ours are received.

15. [redacted] The office of Marian A. Czarnecki, House Foreign Affairs Committee staff, called to speak to a Mr. Bowers, who was either with the Agency's General Counsel or Inspection Staff. After I determined that the call was related to a "bug" that had been uncovered in a committee room, I suggested and it was agreed by the caller that she should have called the FBI.
